

GUIDELINES FOR JUNIOR SCIENTIST AWARD

9 Junior scientists are selected and invited by the Scientific Committee for oral presentation of their original works and results during the SPIM.

These 9 young researchers are preparing a PhD or are working in post-PhD in France or abroad in Universities, public or private research organisms.

A grant of €15,000 rewards the best oral presentation

The SPIM Junior Scientist 2018

Application forms must be sent by email to contact@spim.fr

They must include :

- Scientific project : around 10 pages
- Applicant's curriculum vitae
- Presentation of the Laboratory where the works have been carried out
- The most significant applicant's publication(s)

The scientific project should include the most pertinent results, updated works and perspectives.

Papers cannot contain any commercial topic or research based on the promotion of active ingredients.

The Scientific Committee will confidentially study all files.

DEADLINE FOR SENDING APPLICATION FORM IS SEPTEMBER 15TH, 2018
